

APPLICATION FOR EXEMPTION FROM MANDATORY ENROLLMENT

Doctoral candidates who have an employment contract with the university or the university hospital of 50 % or more of the regular working hours are eligible for exemption.

According to Article 38 of the State Law Governing Higher Education (*Landeshochschulgesetz - LHG*), doctoral candidates who have been admitted to one of the faculties of Heidelberg University must enroll at the university. They can apply for exemption if they are employed as their primary occupation at Heidelberg University, at the Heidelberg University Hospital or at the University Medical Centre Mannheim, i.e. they have an employment contract of 50% or more of the regular working hours. Exemption can be granted up to the end of the employment contract. Please enclose a scan/copy of your current employment contract with the application.

Family name, first name

Faculty

Date of birth

Date of admission as a doctoral
candidate by the faculty

Uni ID
